Bedding, linen and bathroom towels are provided for the number of guests booked to stay.

Additional bedding is available if required at the cost of £25 per set to include 1 medium sized bath towel per person.

If additional towels over those provided are requested these can also be supplied at a cost of £1 per hand towel or £2 per medium sized bath towel. The above is part of our environmental and sustainability program, which is designed to reduce waste, with all our properties provided with washing machines for your use if required, plus you are welcome to bring additional bedding/towels if you wish. An additional mid term maid cleaning service is also available at an additional cost and please contact us if required.

Our beds are made up with crisp white cotton bed linen and a good quality medium sized towel for each guest. These do however stain easily so can we please ask that any fake tan, bronzers, hair dyes or similar products that may cause discolouration are used and applied well in advance of your stay and if they have been recently applied you may wish to consider bringing your own towels/pillowcases with you.
